On October 18, 2020, at approximately 2149 hours, Fullerton Police Department detectives were conducting surveillance of a child sexual abuse suspect in the area of 5500 Melrose Avenue and requested the assistance of LAPD officers. As Fullerton detectives attempted to detain the suspect in a driveway to Paramount Studios, the suspect produced a knife and began stabbing himself. Fullerton PD detectives utilized a TASER, which was ineffective, and the suspect ran east on Melrose Avenue to the Windsor Boulevard entrance of the Paramount Studios. Hollywood Patrol Division officers arrived at scene moments later and followed the suspect on to the studio lot, where less-lethal projectiles were deployed, and an Officer-Involved Shooting occurred. The suspect was not struck by gunfire and fled into a building façade of a movie set. He was ultimately detained without incident by Metropolitan Division K9 personnel. A folding knife was recovered at scene.

The suspect sustained what appeared to be self-inflicted lacerations to his neck, arms, and upper torso. He was transported to Cedars Sinai Medical Center by ambulance and is expected to survive.

No officers were injured.

Force Investigation Division detectives responded to the scene and are investigating this incident. The criminal investigation against the suspect; however, will remain with the Fullerton Police Department.
